RE: FY2025 Rate Study Evaluation

This letter is to inform you that after consideration and completion of a Rate Survey Study the Board of Directors for Barton Water Supply Corporation voted to increase the availability fee from \$86.00 to \$89.00. The TWDB loan repayment line item is \$10.50. The new rate structure will be reflected on your June bill that will be due on or before July 15th.

The Rate Survey Study is conducted by utilizing the Texas Rural Water Association (TRWA) formula and spreadsheet and based off of the 2025 financial audit. The Rate Survey Study is required for compliance by the Public Utility Commission (PUC) and has been filed with that entity. The 2025 Financial Audit and the Rate Survey Study are posted on our website at bartonwatersupply.com. You can also obtain a hard copy by calling or visiting our office.

As a reminder, Barton WSC is a 501c(12) non-profit organization and is governed by a board of volunteers who are members of the corporation. Board meetings are held the second Thursday of the month, members are always welcome, and agendas are posted on our website and at our office.

Please feel free to contact us if you have any questions or concerns.

Thank you,

Board of Directors
Barton Water Supply Corporation
